# COMPENSATION PLAN

## Wholesale / Retail Profit

Earn up to 10% in profits on the sale of Omega products when you buy at members' price (wholesale) and sell at retail price. Selling retail is one of the quickest ways to develop immediate income for your business while you start to build a long-term base of satisfied customers.

## Fast Start Bonus

You will earn a Fast Start Bonus every time you personally enroll a new BA who purchases a Silver, Titanium or Platinum Package, or upgrades within 21 days. The Fast Start Bonus is 10% of the wholesale amount of the new enrollee's initial or Upgrade purchase, not counting the Business Kit.

## Team Binary Commission

Team Binary Commissions are paid at 10% on accumulated Business Value (BV) generated on the weaker leg and are paid for a minimum of 200 BV (Business Value) everyday and for every 100 BV (Business Value) thereafter.

Left	Right	Commission

## Builders Pool

The Builders Pool is designed specifically for Business Associates who are new to the business and are passionately working toward the higher levels of the compensation plan. Amega wants to reward these valuable future leaders with this potentially lucrative pool. For every 1000 BV increase in the lesser leg, over and above the volume of the lesser leg in the month prior, the BA will receive one share of the Builders Pool. This is an amount equivalent to 1% of the total Country Pool Commission that is paid by the company, split to a share value. *(This pool is open to Active, Qualified Business Associates and Diamonds. Blue Diamonds and above do not qualify for this pool.)*

# HOW TO START

## Choose Your Enrollment Options

*(Enrollment Options based on total wholesale purchases within the first 21 days of enrollment)*

## 21 Day Upgrade

**21 Day Upgrade:** No matter what enrollment option you choose, you can upgrade to Titanium or Platinum within 21 days of your enrollment date. To complete the Upgrade, simply accumulate wholesale purchases within 21 days of your enrollment date that total the amount of wholesale products necessary to reach Titanium (\$200-\$899) or Platinum (\$900 or higher).
